Trustees' report for the year ended 31 August 2023

The Trustees present their annual report together with the financial statements and auditor's report of the charitable company for the period 1 September 2022 to 31 August 2023. The annual report serves the purposes of both a Trustees' report and a Directors' report under company law.

The Academy Trust operates an academy for pupils aged 7 to 11 serving a catchment area in Sandwell. It has a pupil capacity of 256 and had a roll of 253 in the school census on 5th October 2023.

Structure, Governance and Management

Constitution

The Academy Trust is a company limited by guarantee and an exempt charity. The charitable company's memorandum and articles of association are the primary governing documents of the Academy Trust. The Trustees of Ocker Hill Academy are also the Directors of the charitable company for the purposes of company law. The charitable company operates as Ocker Hill Academy.

Details of the Trustees who served during the year and to the date these accounts are approved are included in the Reference and Administrative details on page 1.

Members' liability

Each member of the charitable company undertakes to contribute to the assets of the charitable company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

Trustees' indemnities

In accordance with normal commercial practice the Academy has purchased insurance to protect Trustees and Officers from claims arising from negligent acts, errors or omissions occurring whilst on Academy business. The insurance provides cover up to £25,000,000 on any one claim.

Method of recruitment and appointment or election of Trustees

Parent Trustees are elected by the parents of registered pupils at the Academy. A Parent Trustee must be a parent of a pupil at the Academy at the time when she/he is elected.

Community Trustees may be appointed by the Board of Trustees provided that the person who is appointed as a Community Trustee is:

- a person who lives or works in the community served by the Academy; or
- a person who, in the opinion of the Board of Trustees, is committed to the government and success of the Academy.

Staff Trustees are elected by employees of the Academy Trust.

The above selection procedures are:

Community - Appointed by the Members.

The Trustees will seek to appoint a person who lives or works in the community served by the academy, who is committed to the success of the Academy.

Parent - Nominated and elected by the parents and carers of the pupils on roll.

Trustees' report for the year ended 31 August 2023 (continued)

Staff – Nominated and elected by the staff employed by the Academy.

One representative from teaching staff; one representative from support staff.

The Principal is an ex-officio trustee.

Policies and procedures adopted for the induction and training of trustees

The Board of Trustees has a service level agreement with the Trustee support department of SIPS Education Ltd to provide training, advice and support to the Board of Trustees.

Newly elected Trustees attend induction training for new Trustees, and in addition select specific training provided by Trustee support in accordance with their needs.

The Principal is the leader for professional development in the Academy and he ensures that Trustees are provided with opportunities to receive training in accordance with their role, and Academy's training plan. Mark Goodwin has been appointed as Link Trustee, attends relevant training and provides information to Trustees following/regarding such training.

Organisational structure

The Board of Trustees has established committees and appoints Trustees to serve on each of the committees annually. The committees for the period of the report were:

- · Staffing and Finance Committee
- Pay Committee
- Audit Committee
- Behaviour and Safety Committee
- Curriculum Committee
- Principal's Performance Management
- Appeals
- · Staff and Pupil Discipline

The written terms of reference of the committees include the monitoring of the preparation and management of the Academy's budget and implementation of the Academy's financial management policies, including risk assessment.

The Board of Trustees also appoints a Responsible Officer from Academy Advisory and this role has been fully implemented in accordance with the Academy Trust's financial procedures.

Decisions relating to matters that impact on Ocker Hill Academy are reserved for the Board of Trustees. The Trust Governing Body is responsible for setting all policies covering human resources, health & safety, curriculum and financial aspects of the work of the Academy. The Trust Governing Body monitors the work of the Academy. It receives regular reports from the Senior Leadership Team, including budget and other data updates.

Those responsibilities delegated to management include:

Delegation of expenditure and virements

That sums below £10,000 be delegated to the Principal.

Disposal of surplus stock

Delegated to Principal with the approval of the Chair of the Board of Trustees.

Delegation of Suspension

That suspension be delegated to the Chair of the Board of Trustees in instances where the Principal is the person in question or involved in the case. That the Chair of the Board of Trustees be given delegated powers to lift the suspension after taking advice from Human Resources or any other organisation providing the service to the Academy.

Objectives and activities

Objects and aims

The strategic goal of Ocker Hill Academy is to provide a broad and balanced curriculum to all pupils in accordance with the funding agreement between the Academy Trust and the Department for Education.

Objectives, strategies and activities

Our Mission Statement

Our mission at Ocker Hill Academy reflects a passionate commitment to providing children with a safe and dynamic learning experience. Driven by a desire to offer the best possible education, all children have access to a broad and balanced curriculum where they are encouraged to think deeply in lessons and taught knowledge-based objectives and skills as building blocks for life. Learning is underpinned by strong formative assessment principles. Pupils understand, and celebrate, what they do well and where their next steps in learning lie preparing them to be successful, knowledgeable and responsible citizens for the future.

Our Strategic Overview

At Ocker Hill Academy, all governors, teachers, support staff and parents are committed to working towards:

- Providing an environment where children feel safe, happy and secure.
- Providing children with equality of opportunity without prejudice.
- Raising standards in literacy, (with particular focus on writing, spelling, grammar and punctuation) numeracy and science through the continuing development of high-quality teaching and learning.
- Inspiring a love of reading across all curriculum areas to build strong, independent readers who can read for purpose and pleasure.
- Ensure a broad and balanced curriculum for children of <u>all</u> abilities to experience and enjoy.
- · Having high expectations of learning behaviour throughout the academy and wider community.
- Developing moral and social values, underpinned by British Values, within our learners.
- Maintaining consistent transition procedures and link with the feeder Infant School and all subsequent High Schools/Academies.
- Cultural Capital- Providing children with the essential knowledge they need to be educated citizens, helping to engender an appreciation of human creativity and achievement.

In order to deliver these values, Ocker Hill Academy has focused on five goals:

- To make the children's education relevant, purposeful, broad and balanced.
- To maintain a safe, caring environment.
- To aim for high levels of parental satisfaction for the service provided.
- To use human resources efficiently.
- To use financial resources efficiently.

Going concern

After making appropriate enquiries, the Board of Trustees has a reasonable expectation that the Academy Trust has adequate resources to continue in operational existence for the foreseeable future. For this reason it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Statement of Accounting Policies.

Financial Review

The financial results of Ocker Hill Academy are detailed in the following pages. It is considered that the finances are sound and well established. The principal financial management policies adopted are laid down by the Academy Trust Handbook published by the ESFA and requirements as laid down by the Academy's Financial Handbook.

The principal funding source is grant income from the ESFA. All expenditure of this grant income is planned to fulfil the objectives and strategies of the Academy.

During the year ended 31 August 2023 total resources expended were £1,742,399 and the surplus of income over expenditure was £64,205 which included depreciation of £45,497.

Reserves policy

The Trustees continually monitor the reserves of the charitable company. This process encompasses the nature of income and expenditure streams and the need to match commitments with income and nature of reserves.

It is the Board of Trustees' general policy to continue to build reserves which can be used for future educational purposes as far as funding permits.

Ocker Hill Academy had total funds at 31 August 2023 of £1,966,485 which included £117,949 restricted funds not available for general purposes of the Academy Trust, £115,586 of free reserves defined as unrestricted funds available for general purposes and £2,007,950 which can only be realised by the disposal of tangible fixed assets.

The balance on restricted general funds (excluding pension reserve) plus the balance on unrestricted funds was a surplus of £233,535.

In addition, the deficit on the restricted pension fund of £275,000 arises from an actuarial deficit on the local government pension scheme which will be dealt with as advised by the actuary. This will result in a cash flow effect for the academy trust in the form of an increase in employers' pension contributions over a period of years.

Investment Policy

There is no material investment currently held by the Academy.

Principal risks and uncertainties

The Trustees have considered the major risks and uncertainties facing the charitable company which include changes in legislation and regulations and cash flow management and have put in place procedures to deal with these matters.

Attention has also been focused on non-financial risks arising from fire, health and safety which includes consideration of those risks impacting on trustees' responsibilities to ensure the Trust's estate is safe, well maintained and complies with relevant regulations. These risks are managed by ensuring accreditation is up to date, having robust policies in place, and regular awareness training for staff working in these operational areas.

Fundraising

The Academy trust does not use any external fundraisers. All fundraising undertaken during the period was monitored by the Trustees.

Plans for Future Periods

Ocker Hill Academy has been successful with a CIF bid to replace the current boiler, radiator and pipework systems. Work will be carried out in the summer of 2024.

OHA also remains in the School Rebuild Programme with potential works being assessed in the round beginning in 2027.

Trustees are committed to support and challenge the Academy in order to maintain the extremely high levels of achievement the pupils currently attain

Auditor

Insofar as the Trustees are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any
 relevant audit information and to establish that the auditor is aware of that information.

The Trustees' report, incorporating a strategic report, was approved by order of the Board of Trustees, as the company directors, on 12 December 2023 and signed on the Board's behalf by:

Governance statement for the year ended 31 August 2023

Scope of Responsibility

As Trustees, we acknowledge we have overall responsibility for ensuring that Ocker Hill Academy has an effective and appropriate system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

As Trustees, we have reviewed and taken account of the guidance in DfE's Governance Handbook and competency framework for governance.

The Board of Trustees has delegated the day-to-day responsibility to the Principal, as Accounting Officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between Ocker Hill Academy and the Secretary of State for Education. They are also responsible for reporting to the Board of Trustees any material weaknesses or breakdowns in internal control.

Governance

The information on governance included here supplements that described in the Trustees' Report and in the Trustees' Report and in the Statement of Trustees' Responsibilities. The **Board of Trustees** has formally met seven times during the year. Attendance during the year at meetings of the Board of Trustees was as follows:

Conflicts of interest

All conflicts of interest are declared and recorded on a register. Leadership and Trustees are aware and Trustees are required to leave the meeting when items affecting their conflict of interest are discussed/reviewed.

Meetings

The Governing Board meets six times a year and sub committees meet termly unless there is urgent business to discuss when extra-ordinary meetings are arranged.

Governance review

A review of governance was undertaken during the year which found that the resignation of one governor had created a vacancy and the appointment of the Vice-Principal to the post of Principal created a staff vacancy.

Subsequent to this the following actions were taken:

- Election of staff representative
- Appointment of Community Governor

The Trust intends to conduct its next self-evaluation/external review in Autumn Term 2023-24

The **Staffing and Finance Committee** is a sub-committee of the main Board of Trustees. Its purpose is to assist the decision making of the Board of Trustees, by enabling more detailed consideration to be given to the best means of fulfilling the Board of Trustees responsibility to ensure sound management of the Academy's finances and resources, including proper planning, monitoring and probity.

Particular issues dealt with by the Staffing & Finance Committee during the year were consideration of options relating to a member of staff on long term sick leave and a pension related request from a former employee.

Review of value for money

As Accounting Officer, the Principal has responsibility for ensuring that the Academy trust delivers good value in the use of public resources. The Accounting Officer understands that value for money refers to educational and wider societal outcomes, as well as estates safety and management, achieved in return for the taxpayer resources received.

Governance statement for the year ended 31 August 2023 (continued)

The Accounting Officer considers how the Academy Trust's use of its resources has provided good value for money during each academic year, and reports to the Board of Trustees where value for money can be improved, including the use of benchmarking data or by using a framework where appropriate. The Accounting Officer for the Academy Trust has delivered improved value for money during the year by:

Raising student attainment

Ocker Hill Academy was judged by Ofsted in February 2013 to be 'Outstanding'. This was in line with the Academy's self-evaluation. Key Stage 2 SAT results for 2023 demonstrate a consistent trend of high attainment and good progress against national standards. The Academy continues to demonstrate good skills of target setting and prediction – we are confident in our assessment strategies and this contextual understanding helps us to plan for children's personal learning journeys.

Robust governance and oversight of the academy's finance

The Accounting Officer has the responsibility for reviewing the effectiveness of the system of internal control. They are informed by internal audit work done by 'Academy Advisory' who undertake regular reviews of key financial policies. Reports are produced which detail the Academy's compliance and demonstrate that the Academy has robust systems and financial controls in place. These reports are presented to the Staffing & Finance committee. The Academy has appropriate regularity policies in place.

• Ensuring value for money is achieved and resources are used efficiently and effectively

The Senior Leadership Team prepare the budget for Trustees' approval from the Academy development plan annually after evaluating the effectiveness of strategies introduced in previous years.

The staffing structure is reviewed annually and deployed to drive and support curriculum initiatives and academy improvement. The use of education support staff for the curriculum is regularly monitored.

Contracts and services are regularly appraised and renegotiated when appropriate to ensure value for money. The Academy always gets quotations where possible. The list of named suppliers for regular low value work is approved by trustees.

The Academy works closely with our feeder infant school and other local schools and academies to ensure best value. The Academy always assesses the cost and benefits of various options before making a purchasing decision to ensure best value and the right option for the longer term.

The Purpose of the System of Internal Control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives. It can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an on-going process designed to identify and prioritise the risks to the achievement of the Academy Trust's policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in Ocker Hill Academy for the period from 1 September 2022 to 31 August 2023 and up to the date of approval of the annual report and financial statements.

Capacity to handle risk

The Board of Trustees has reviewed the key risks to which the Academy Trust is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The Board of Trustees is of the view that there is a formal on-going process for identifying, evaluating and managing the Academy Trust's significant risks that has been in place for the period from 1 September 2022 to 31 August 2023 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the Board of Trustee

Governance statement for the year ended 31 August 2023 (continued)

The Risk and Control Framework

The Academy Trust's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the Board of Trustees;
- regular reviews by the finance and general purposes committee of reports which indicate financial
 performance against the forecasts and of major purchase plans, capital works and expenditure
 programmes;
- setting targets to measure financial and other performance;
- clearly defined purchasing (asset purchase or capital investment) guidelines;
- identification and management of risks.

The Board of Trustees has decided :

to buy-in an internal audit service from Academy Advisory

This option has been chosen because it provides an internal audit service to educational establishments does not currently provide external audit services to Ocker Hill Academy.

The Internal Auditor's role includes giving advice on financial matters and performing a range of checks on the Academy Trust's financial systems. In particular the checks carried out in the current period included:

- testing of payroll systems
- testing of purchase systems
- testing of control accounts / bank reconciliations

On a termly basis, the internal auditor reports to the Board of Trustees, through the Audit Committee on the operation of the systems of control and on the discharge of the Board of Trustees' financial responsibilities and annually prepares a summary report to the committee outlining the areas reviewed, key findings, recommendations and conclusions to help the committee consider actions and assess year on year progress. The planned schedule of work for 2022-23 has been completed and recommendations from the reports have been action

Governance statement for the year ended 31 August 2023 (continued)

Review of Effectiveness

As Accounting Officer, Joseph Farmer (the Principal) has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- the work of the internal reviewer
- the work of the external auditor;
- the financial management and governance self-assessment process of the school resource management self-assessment tool;
- the work of the executive managers within the Academy Trust who have responsibility for the development and maintenance of the internal control framework.

The Accounting Officer has been advised of the implications of the result of their review of the system of internal control by the Audit Committee and a plan to address weaknesses and ensure continuous improvement of the system is in place.

Statement of regularity, propriety and compliance for the period ended 31 August 2023

As accounting officer of Ocker Hill Academy Trust, I have considered my responsibility to notify the academy trust board of trustees and the Education and Skills Funding Agency (ESFA) of material irregularity, impropriety and non-compliance with terms and conditions of all funding, including for estates safety and management, under the funding agreement between the academy trust and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academy Trust Handbook 2022, including responsibilities for estates safety and management.

I confirm that I and the academy trust board of trustees are able to identify any material irregular or improper use of funds by the academy trust, or material non-compliance with the terms and conditions of funding under the academy trust's funding agreement and the Academy Trust Handbook 2022.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the board of trustees and ESFA.

Mr J Farmer - Accounting Officer

Statement of Trustees' responsibilities for the period ended 31 August 2023

The trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with the Academies Accounts Direction published by the Education and Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2019 and the Academies Accounts Direction 2022 to 2023;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from the ESFA/DfE have been applied for the purposes intended.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Independent Auditor's Report on the Financial Statements to the Members of Ocker Hill Academy

Opinion

We have audited the financial statements of Ocker Hill Academy (the 'academy trust') for the year ended 31 August 2023 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", the Charities SORP 2019 and the Academies Accounts Direction 2022 to 2023 issued by the Education and Skills Funding Agency.

In our opinion the financial statements:

- give a true and fair view of the state of the academy trust's affairs as at 31 August 2023, and of its incoming resources and application of resources, including its income and expenditure, for the period then ended
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities SORP 2019 and the Academies Accounts Direction 2022 to 2023 issued by the Education and Skills Funding Agency

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the academy trust in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

- Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the academy trust's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.
- Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the trustees annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report (incorporating the strategic report and the directors' report) for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and the directors' report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the academy and its environment obtained in the course of the audit, we have not identified material misstatements in the strategic report and the directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- · adequate accounting records have not been kept, or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Independent Auditor's Report on the Financial Statements to the Members of Ocker Hill Academy

(continued)

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement [set out on page 23], the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- We reviewed the academy's control and risk management procedures and planned our work based on our assessment of those controls and procedures;
- This review included an assessment of the risk of material misstatement due to errors, fraud and management override of controls for all material areas in the financial statements;
- We made enquiries of management and the academy's lawyers regarding any actual or potential litigation and/or claims;
- Financial statements disclosures were reviewed and checked for compliance with applicable laws;
- Detailed testing was conducted on balances and transactions including unusual items and those of individual significance to the financial statements;
- Data analytics were used in order to identify unusual or significant trends;
- Communications with management and those charged with governance regarding relevant matters was undertaken throughout the audit and on completion.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

Independent Auditor's Report on the Financial Statements to the Members of Ocker Hill Academy

(continued)

Auditor's responsibilities for the audit of the financial statements (continued)

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or
 error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is
 sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement
 resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery,
 intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are
 appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the
 charitable company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charitable company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the charitable company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Use of our report

tellans

This report is made solely to the academy trust's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the academy trust and the academy trust's members as a body, for our audit work, for this report, or for the opinions we have formed.

Independent Reporting Accountant's Assurance Report on Regularity to Ocker Hill Academy and the Education and Skills Funding Agency

In accordance with the terms of our engagement letter dated 27 June 2022 and further to the requirements of the Education and Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2022 to 2023, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by Ocker Hill Academy Trust during the period 1 September 2022 to 31 August 2023 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to Ocker Hill Academy Trust and ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to Ocker Hill Academy Trust and ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Ocker Hill Academy Trust and ESFA, for our work, for this report, or for the conclusion we have formed.

Respective responsibilities of Ocker Hill Academy Trust's accounting officer and the reporting accountant

The accounting officer is responsible, under the requirements of Ocker Hill Academy Trust's funding agreement with the Secretary of State for Education dated 29 August 2013 and the Academy Trust Handbook, extant from 1 September 2022, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2022 to 2023. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the period 1 September 2022 to 31 August 2023 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

Approach

We conducted our engagement in accordance with the Framework and Guide for External Auditors and Reporting Accountant of Academy Trusts issued by ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the academy trust's income and expenditure.

The work undertaken to draw our conclusion includes:

- · Consideration of the applicable legislation and the academy trust's funding agreement
- Review and evaluation of the academy trust's system of internal controls
- Examination and assessment of the Accounting Officer's statement on Regularity, Propriety and Compliance
- Examination, on a test basis, of third party evidence supporting income and expenditure
- Review of exceptional and unusual items

Independent Reporting Accountant's Assurance Report on Regularity to Ocker Hill Academy and the Education and Skills Funding Agency (continued)

Conclusion

In the course of our work, nothing has come to our attention which suggests that in all material respects the expenditure disbursed and income received during the period 1 September 2022 to 31 August 2023 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

Notes to the financial statements for the year ended 31 August 2023

1. Accounting policies

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgements and key sources of estimation uncertainty, is set out below.

1.1 Basis of preparation

The financial statements of the academy trust, which is a public benefit entity under FRS 102, have been prepared under the historical cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (Charities SORP (FRS 102)), the Academies Accounts Direction 2022 to 2023 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

1.2 Going concern

The trustees assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the company to continue as a going concern. The trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that the academy trust has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the academy trust's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Income

All incoming resources are recognised when the academy trust has entitlement to the funds, the receipt is probable and the amount can be measured reliably.

Grants

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the balance sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the Statement of Financial Activities in the year for which it is receivable and any abatement in respect of the period is deducted from income and recognised as a liability.

Capital grants are recognised in full when there is an unconditional entitlement to the grant. Unspent amounts of capital grants are reflected in the balance sheet in the restricted fixed asset fund. Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended.

Donations

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

1. Accounting policies (continued)

1.3 Income (continued)

Other income

Other income, including the hire of facilities, is recognised in the period it is receivable and to the extent the academy trust has provided the goods or services.

Donated goods, facilities and services

Goods donated for resale are included at fair value, being the expected proceeds from sale less the expected costs of sale. If it is practical to assess the fair value at receipt, it is recognised in 'Stocks' and 'Income from Other Trading Activities'. Upon sale, the value of the stock is charged against 'Income from Other Trading Activities' and the proceeds are recognised as 'Income from Other Trading Activities'. Where it is impractical to fair value the items due to the volume of low value items they are not recognised in the financial statements until they are sold. This income is recognised within 'Income from Other Trading Activities'.

Donated fixed assets

Where the donated good is a fixed asset it is measured at fair value, unless it is impractical to measure this reliably, in which case the cost of the item to the donor should be used. The gain is recognised as income from donations and a corresponding amount is included in the appropriate fixed asset category and depreciated over the useful economic life in accordance with the academy trust's accounting policies.

1.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

• Expenditure on raising funds

This includes all expenditure incurred by the academy trust to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

Charitable activities

These are costs incurred on the academy trust's educational operations, including support costs and costs relating to the governance of the academy trust apportioned to charitable activities.

All resources expended are inclusive of irrecoverable VAT.

Notes to the financial statements for the year ended 31 August 2023 (continued)

1. Accounting policies (continued)

1.5 Tangible fixed assets

Assets costing £500 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the Balance Sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding requiring the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the Statement of Financial Activities and carried forward in the Balance Sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the Statement of Financial Activities. Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

Depreciation is provided on all tangible fixed assets other than freehold land and assets under construction, at rates calculated to write off the cost of each asset over its expected useful life as follows:

Long leasehold buildings - straight line over 100 years

Windows, doors and exterior fixtures - 4% reducing balance

Furniture and equipment - 20% straight line
Computer hardware - 25% straight line

Assets in the course of construction are included at cost. Depreciation on these assets is not charged until they are brought into use and reclassified to freehold or leasehold land and buildings.

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of Financial Activities.

1.6 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

1.7 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

1.8 Liabilities

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the academy trust anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Notes to the financial statements for the year ended 31 August 2023 (continued)

1. Accounting policies (continued)

1.9 Leased assets

Rentals under operating leases are charged on a straight line basis over the lease term.

1.10 Financial instruments

The academy trust only holds basic financial instruments as defined by FRS 102. The financial assets and financial liabilities of the academy trust and their measurement basis are as follows:

Financial assets - trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost. Prepayments are not financial instruments.

Cash at bank is classified as a basic financial instrument and is measured at face value.

Financial liabilities - trade creditors, accruals and other creditors are financial instruments and are measured at amortised cost. Taxation and social security are not included in the financial instruments disclosure definition. Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument.

1.11 Taxation

The academy trust is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

Accordingly, the academy trust is potentially exempt from taxation in respect of income or capital gains received within categories covered by part 11, chapter 3 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

1.12 Pension benefits

Retirement benefits to employees of the academy trust are provided by the Teachers' Pension Scheme ('TPS') and the Local Government Pension Scheme ('LGPS'). These are defined benefit schemes.

The TPS is an unfunded scheme and contributions are calculated to spread the cost of pensions over employees' working lives with the academy trust in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a prospective unit credit method. TPS is an unfunded multi-employer scheme with no underlying assets to assign between employers. Consequently, the TPS is treated as a defined contribution scheme for accounting purposes and the contributions recognised in the period to which they relate.

Notes to the financial statements for the year ended 31 August 2023 (continued)

1. Accounting policies (continued)

1.12 Pension benefits (continued)

The LGPS is a funded multi-employer scheme, and the assets are held separately from those of the academy trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each balance sheet date. The amounts charged to net income/(expenditure) are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the Statement of Financial Activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses.

Actuarial gains and losses are recognised immediately in other recognised gains and losses.

1.13 Fund accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the academy trust at the discretion of the trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder/donor and include grants from the Education and Skills Funding Agency or Department for Education.

1.14 Critical accounting estimates and areas of judgement

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The academy trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost (income) for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 21, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2022 has been used by the actuary in valuing the pensions liability at 31 August 2023. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

Restricted general funds

These comprise all restricted funds other than restricted fixed asset funds and include grants from The Education and Skills Funding Agency and Sandwell Council.

Under the funding agreement with the Secretary of State, the academy trust was not subject to a limit on the amount of GAG that it could carry forward at 31 August 2023.

Unrestricted funds

These comprise resources that may be used towards meeting any of the charitable objects of the academy trust at the discretion of the trustees.

Restricted fixed asset funds

These comprise resources which are to be applied to specific capital purposes imposed by The Education and Skills Funding Agency and Sandwell Council where the asset acquired or created is held for a specific purpose.

21. Pension and similar obligations

The academy trust's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by West Midlands Pension Fund. Both are multi-employer defined-benefit schemes.

The latest actuarial valuation of the TPS related to the period ended 31 March 2016 and of the LGPS 31 March 2022.

Contributions amounting to £nil (2022 : £16,584) were payable to the schemes at 31 August 2023 and are included within creditors.

Teachers' Pension Scheme

Introduction

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for teachers in academies. All teachers have the option to opt-out of the TPS following enrolment.

The TPS is an unfunded scheme to which both the member and employer makes contributions, as a percentage of salary - these contributions are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

Valuation of the Teachers' Pension Scheme

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury every four years. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2016. The valuation report was published by the Department for Education on 5 March 2019. The key elements of the valuation and subsequent consultation are:

 employer contribution rates set at 23.68% of pensionable pay (including a 0.08% employer administration charge)

Notes to the financial statements for the year ended 31 August 2023 (continued)

21. Pension and similar obligations (continued)

- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service
 to the effective date of £218,100 million, and notional assets (estimated future contributions together with
 the notional investments held at the valuation date) of £196,100 million giving a notional past service deficit
 of £22,000 million
- the SCAPE rate, set by HMT, is used to determine the notional investment return. The current SCAPE rate
 is 2.4% above the rate of CPI, assumed real rate of return is 2.4% in excess of prices and 2% in excess of
 earnings. The rate of real earnings growth is assumed to be 2.2%. The assumed nominal rate of return
 including earnings growth is 4.45%.

The next valuation is due to be implemented from 1 April 2024.

The employer's pension costs paid to TPS in the year amounted to £125,496 (2022: £129,106)

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website.

Under the definitions set out in FRS 102, the TPS is an unfunded multi-employer pension scheme. The academy trust has accounted for its contributions to the scheme as if it were a defined contribution scheme. The academy trust has set out above the information available on the scheme.

Local Government Pension Scheme

The LGPS is a funded defined benefit pension scheme, with the assets held in separate trustee-administered funds. The total contribution made for the year ended 31 August 2023 was £133,000 (2022 : £119,000), of which employer's contributions totalled £109,000 (2022 : £99,000) and employees' contributions totalled £24,000 (2022 : £20,000). The agreed employer contribution rates for next year is 27.5% and between 5.5% and 6.6% for employees.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013 and on 21 July 2022, the Department for Education reaffirmed its commitment to the guarantee, with a parliamentary minute published on GOV.UK.

The trustees have agreed that the trust will make additional contributions in addition to normal funding levels over the next 26 years.

22. Related party transactions

Owing to the nature of the academy trust and the composition of the board of trustees being drawn from local public and private sector organisations, transactions may take place with organisations in which the trustees have an interest.

The following related party transaction(s) took place during the period:

Hadley Travel

Company in which Mr A Hadley (a trustee) has a majority interest	2023 £	2022 £
Services recharged by related company during the period	7,310	6,765

All transactions involving such organisations are conducted in accordance with the requirements of the Academy Trust Handbook, including notifying ESFA of all transactions made on or after 1 April 2019 and obtaining their approval where required, and with the academy trust's financial regulations and normal procurement procedures relating to connected and related party transactions.

23 Contingent liability

Following the recent decision in the Harpur Trust vs Brazel case the trust is considering the potential liability in respect of this. At this time it is not possible to quantify the liability, if any, and no provision has been made in these accounts.
