20th March 2026

Dear Parent/Carer,

EID Celebration

There are lots of celebrations around the country this week and the children have asked that OHA also mark the occasion.

On Tuesday (24th March) afternoon they will be learning about the tradition of Ramadan and celebrating by playing some games. If they wish they can bring in an extra snack or sweets which they can choose to share – a lovely way of demonstrating how communities and families come together at this special time.

We hope they have a lovely afternoon.

Mrs Smith
