Ocker Hill Academy

2026

Dear Parent/Carer,

As you may already be aware Year 4 are busy working on their very own 'Time Travelling Classroom' performance.

We thought it would be nice for them to have an audience to 'perform' to so we have arranged 2 performances, these will take place @ 10.15am and 2.15pm on Wednesday 20th May (both performances are the same so please only attend one)

Tickets will cost £2.00 each, and for safety reasons admission will be strictly by ticket only. We can offer two tickets per child per performance (including children and babies – No pushchairs allowed). We apologise for having to keep to these strict guidelines, but we have to comply with Health and Safety and Fire Regulations.

Can ticket money be sent in an envelope with the child's name and the performance time you will be attending. Children have designed their own tickets (they are lovely) and these will be handed out once payment has been received alongside a paper ticket that you will bring on the day.

Information about costumes/clothes that the children may need will be sent out on DOJO.

Get ready to be taken back in time, or forward into the future - we hope you enjoy the show!

Yours sincerely,

Y4 Team
